

BLUE

Blue is situated in Limassol, which is on the southern coast of Cyprus. The project is located in the heart of Limassol's cosmopolitan seafront area, yet conveniently set back from the main tourist promenade and its surrounded with amenities like boutiques, cafes, restaurants, lounge bars, to seafront pubs and cafes, clubs and discos, shops, galleries, 5 star Hotels and spa resorts and of course the seemingly endless glorious sandy beaches where water sports are available for all.

Blue... is situated on prime private land boasting an area of 26,000m². The apartments will be situated in different zones, offering spacious, elegant properties of two and three bedrooms, all with stunning views of the Mediterranean Sea. Set against this exciting backdrop, a unique development of distinctive and contemporary residential homes, set in a private, gated luxury complex, is set to captivate locals and visitors alike. Exceptional standards of interior and exterior finishes complement the distinctive accommodation that is offered. Uniquely, this exquisite attention to detail will follow through to all the open and communal areas on this exclusive and privately accessed secure community.

The **blue room...** will enable owners to relax in the luxury and comfort of their very own personal club house, where a dedicated full-time concierge will be on hand to arrange any of your personal requirements.

The projects is set in elegant landscaped gardens with decking and walkways connecting the different zones and facilities on the development – an indoor and outdoor Jacuzzi, a swimming pool with poolside bar, a tennis court, luxurious health spa with gym, sauna... every possible need is catered for. And in consideration of our younger occupants, **blue...** offers a fully equipped children's playground to keep the young ones amused, as well as a crèche and baby-sitting service to ensure parents are able to relax knowing their children are safe and sound.

All residents will enjoy state-of-the-art technology in their luxurious homes, with a central satellite communication entertainment system and wireless internet access.

blue... is designed to ensure residents enjoy the utmost quality within every aspect of their lifestyle choice. Discerning residents will enjoy every conceivable luxury within their superior homes, designed to offer the ultimate in privileged indulgence.

A totally unique living experience is coming...**blue...**it will be worth the wait!

...for simply exceptional properties, C.A.D.S International!
